

## **E:17 Intercessors**

In Exodus 17:8-16, we find Moses standing on top of a hill with Aaron and Hur. Moses had commanded Joshua to lead Israel to fight against Amalek. As Moses prayed with his hands lifted, Joshua and Israel prevailed against Amalek but when Moses lowered his hands, Amalek prevailed against Joshua and Israel.

As Moses continued praying for Joshua and Israel, Moses' arms became tired so he began to lower them. Aaron and Hur, who were with Moses, noticed how the posture of Moses, as he prayed, was vital in the victory against Amalek. So as Moses became weak and unable to keep his arms lifted as he prayed, Aaron and Hur took a stone and put it under Moses to sit on. As Moses sat and prayed, Aaron & Hur held up Moses' arms until the sun went down. As a result, Israel prevailed against Amalek.

Aaron & Hur were not called to pray for Joshua and Israel as they fought Amalek but they were vital in the overall prayer strategy in this battle. Aaron and Hur partnered with Moses as he prayed. Moses was called to pray for Joshua and Israel but was unable to do it without the help of Aaron and Hur.

E:17 Intercessors are the Aaron & Hur's of Silk Road Catalyst team members. They pray for their partnered SRC team member so the SRC team member can pray for the ministry God has given them to do. E:17 Intercessors are equally vital in the success of SRC team members as they battle in this spiritual war.

As an SRC team member, I invite you to be one of my E:17 Intercessor as I serve in Asia. I need committed prayer warriors to hold up my arms so that I may pray for my "Battle against Amalek", to see disciples of Jesus multiplied in the ministry God has given me.

As an E:17 Intercessor, you commit for one year and to pray for me on a regular basis. In return, I will send you specialized updates 2-4 times per month (more often if something demands your attention) that only my E:17 team will receive. These updates will include ministry and personal requests as well as praises when I see God answering our prayers together. This opportunity is not for someone to simply receive updates and casually pray every so often. This opportunity is reserved for who are either gifted intercessors or sense a calling to specifically partner with me as a prayer intercessor.

If you would like to become one of my E:17 Intercessor, please contact me as soon as possible.

For His Glory,

Steve Schirmer  
President
